Exhibitors are reminded that they must satisfy the Organisers that the erection and demolition of the stands can be safely carried out within the allotted time. The Organisers reserve the right to prevent work being carried out by, or on behalf of, any Exhibitor who has not complied with these Terms and Conditions, including the requirement to submit stand design drawings in accordance with the terms above. The Exhibitor could also sub-contract stand design construction to the official contractor of the organiser.

Booth Interiors

While the Exhibitors are free to decorate their stands to the best of their ability for projecting the right image of their products and company, they should take care not to cause any damage to the walls, panels and floors by use of nails, painting or any other such activity.

Booth Alteration

1. No alteration in size of an Exhibitor's booth is permitted without the prior written approval of the Organisers.
2. No fixings should be made to the flush plywood of the Shell Scheme. Damaging them in anyway, alterations in the fascia structure or the format are not permitted. Any attempt to do this will involve the restoration of the original structure at the expenses of the Exhibitor or his/her agent.
3. Neither are the booth displays allowed to overhang the allotted area, nor are any obstructions permitted near gangways, fire points, extinguishers and emergency exits.
4. Designers are particularly requested to avoid designs which may block or box in on other Exhibitors' booths or the aisles.
